As a NJPMS Corporate Member, you will benefit from specific advantages, exposure and services that can strengthen your position in the healthcare marketplace. NJPMS works with companies that produce podiatric-related products, services, supplies, pharmaceuticals, footwear, etc. to support continued growth and development of the podiatric profession as it expands and moves forward into the future.

As a corporate member, your organization will directly participate in an ongoing dialogue with NJPMS leadership, members and colleagues, provide market-based input, build powerful professional alliances and increase corporate visibility.
